NEW YORK and LOS ANGELES – September 30, 2010 – The Washington Redskins vs. Philadelphia Eagles matchup ranks #1 on the [NFL Ticket Exchange “Buzz Index”](#) for Week 4 according to the [NFL Ticket Exchange by Ticketmaster](#).

Eagles and Redskins fans alike are ready to watch what could come down to a battle of the quarterbacks. Returning to Philly in a new uniform, Redskins QB Donovan McNabb will have one goal in mind when he enters Lincoln Financial Field this weekend. On the other side of the ball, emerging Eagles QB Michael Vick will have a game plan of his own.

The Redskins (1-2) are coming off a tough loss to the Rams and look to capture their first win on the road this season. The Eagles (2-1) crushed the Jaguars 28-3 in Jacksonville last Sunday and are now in sole possession of the top spot in the NFC East – but one game could change all that.

Will the Eagles remain the uncontested leader in the NFC East? Or will the Redskins return to Washington with their first road win? Anything can happen in a division game as big as this.
